Agenda No.9 : Any other matter of importance with the permission of the President.

(1) Justice S. Marimuthu, former Judge, Madras High court, sent a letter to the President and the Secretary General requesting consideration for providing police security of two constables at the residence of the Former Judges of the High Courts. He cited the incident recently occurred in the house of a retired judge where a theft was committed in his house and the police did not take effective action. The President Justice K. L. Sharma agreed to it that no security is provided at the residence of a retired judge of the High Court but informed the house that even a retired judge of the Supreme Court is provided security at his residence only for a year subsequent to his retirement and as per the Notification issued by most of the States in compliance of the directions issued by the Supreme Court, a sum of Rs. 15,000/- is being provided for internet, secretary/security personnel and therefore the government would never agree to it. The matter was dropped with the consent of majority of judges present in the meeting. However, a particular incident can be taken up by the individual judges through the High Court concerned with the local police chief.

(2) Justice D. K. Trivedi Vice President of the Association, could not attend the meeting because of non-availability of flight but he reminded me on phone that during the last meeting of the executive committee he proposed that since the Government of India did not take any decision on the representations of the Association regarding grant of additional pension on attaining the age of 75 years instead of 80 years, the Association should file a fresh Writ petition before the Supreme Court. This proposal was seconded by Justice I. S. Srivastava through WhatsApp message. After deliberations, it was resolved that although the Government of India has not yet responded upon the representations sent by Association but instead of filing a fresh Writ, another reminder be sent to the Government with the request to accept the representations as early as possible because already ten months time has passed without any response.

The committee conveys thanks to the Hon,ble Chief Justice Madras High Court who not only gave permission to hold the meeting in the Tamil Nadu State Judicial Academy but also provided protocol facilities and staff cars to all the attending members.

The committee further conveys thanks to The Director, his officers and staff of Tamil Nadu State Judicial Academy for providing accommodation for meeting of the Executive Committee and also for giving sufficient number of staff for assistance.
